OF THE VETERANS' ENTITLEMENTS ACT 1986

In relation to the Notice of Investigation in respect of congenital cataract gazetted on 31 October 2012 in the Government Notices Gazette, the Repatriation Medical Authority states that it is revoking the existing Statements of Principles concerning congenital cataract, namely Instrument Nos. 49 and 50 of 2007, determined pursuant to subsection 196B(2) or (3) of the Veterans' Entitlements Act 1986 (the Act), as the Authority is of the view that congenital cataract does not have any factors which can be "related to service" as defined in subsection 196B(14) of the Act.
