Repatriation Medical Authority

NOTICE OF INVESTIGATION
Section 196G of the
Veterans' Entitlements Act 1986

The Repatriation Medical Authority (the Authority) gives notice under section 196G of the Veterans' Entitlements Act 1986 (the VEA) that it intends to carry out an investigation pursuant to subsection 196B(4) of the VEA to find out whether Statements of Principles may be determined in respect of x-linked myopathy with excessive autophagy.

The Authority invites the following persons and organisations to make written submissions to the Authority in respect of the investigation:

- a person eligible to make a claim for pension under Part II or Part IV of the Veterans' Entitlements Act 1986;
a person eligible to make a claim for compensation under section 319 of the Military Rehabilitation and Compensation Act 2004 (the MRCA);
an organisation representing veterans, Australian mariners, members of the Forces, members of the Peacekeeping Forces, members within the meaning of the MRCA, or their dependants;
the Repatriation Commission or the Military Rehabilitation and Compensation Commission; and
a person having expertise in a field relevant to the investigation.

The Authority will hold its first meeting for the purposes of this investigation on 10 February 2015.

Under the VEA, the Authority is required to find out whether there is information available about how x-linked myopathy with excessive autophagy may be suffered or contracted, or death from x-linked myopathy with excessive autophagy may occur, and the extent to which x-linked myopathy with excessive autophagy or death from x-linked myopathy with excessive autophagy may be war-caused, defence-caused, a service injury, a service disease or a service death. Persons and organisations wishing to make a submission should obtain a copy of the RMA Submission Guidelines from the RMA website [www.rma.gov.au] or by contacting the RMA Secretariat at the address or telephone number below.

All submissions must be in writing and received by the Authority at the address below no later than 23 January 2015.
