

Statement of Principles  
concerning

**VON WILLEBRAND'S DISEASE**

**No. 57 of 2007**

for the purposes of the

*Veterans' Entitlements Act 1986*

and

*Military Rehabilitation and Compensation Act 2004*

**Title**

1. This Instrument may be cited as Statement of Principles concerning von Willebrand's disease No. 57 of 2007.

**Determination**

2. The Repatriation Medical Authority under subsection **196B(2) and (8)** of the *Veterans' Entitlements Act 1986* (the VEA):
  - (a) revokes Instrument No. 61 of 1995 concerning von Willebrand's disease; and
  - (b) determines in its place this Statement of Principles.

**Kind of injury, disease or death**

3.
  - (a) This Statement of Principles is about **von Willebrand's disease** and **death from von Willebrand's disease**.
  - (b) For the purposes of this Statement of Principles, "**von Willebrand's disease**" means a genetic coagulation disorder characterised by deficiency or abnormality of the von Willebrand factor causing platelet dysfunction.
  - (c) Von Willebrand's disease attracts ICD-10-AM code D68.0.

- (d) In the application of this Statement of Principles, the definition of **"von Willebrand's disease"** is that given at paragraph 3(b) above.

#### **Basis for determining the factors**

4. After examining the available sound medical-scientific evidence the Repatriation Medical Authority is of the view that there is sound medical-scientific evidence that indicates that the only factor that may be related to the cause of or material contribution to or aggravation of **von Willebrand's disease** or **death from von Willebrand's disease** and which can be related to relevant service rendered by veterans, members of Peacekeeping Forces, or members of the Forces under the VEA, or members under the *Military Rehabilitation and Compensation Act 2004* (the MRCA) is that set out in clause 5.

#### **Factors that must be related to service**

5. The factor that must as a minimum exist in relation to the circumstances of a person's relevant service causing or materially contributing to or aggravating **von Willebrand's disease** or **death from von Willebrand's disease** is inability to obtain appropriate clinical management for von Willebrand's disease.

#### **Other definitions**

6. For the purposes of this Statement of Principles:

**"death from von Willebrand's disease"** in relation to a person includes death from a terminal event or condition that was contributed to by the person's von Willebrand's disease;

**"ICD-10-AM code"** means a number assigned to a particular kind of injury or disease in The International Statistical Classification of Diseases and Related Health Problems, 10th revision, Australian Modification (ICD-10-AM), Fifth Edition, effective date of 1 July 2006, copyrighted by the National Centre for Classification in Health, Sydney, NSW, and having ISBN 1 86487 772 3;

**"relevant service"** means:

- (a) operational service under the VEA; or
- (b) peacekeeping service under the VEA; or
- (c) hazardous service under the VEA; or
- (d) warlike service under the MRCA; or
- (e) non-warlike service under the MRCA;

**"terminal event"** means the proximate or ultimate cause of death and includes:

- (a) pneumonia;
- (b) respiratory failure;
- (c) cardiac arrest;
- (d) circulatory failure; or
- (e) cessation of brain function.

**Application**

- 7. This Instrument applies to all matters to which section 120A of the VEA or section 338 of the MRCA applies.

**Date of effect**

- 8. This Instrument takes effect from 9 May 2007.

Dated this *twenty-fourth* day of *April* 2007

The Common Seal of the                    )  
Repatriation Medical Authority        )
