1 Name

This is the Amendment Statement of Principles concerning *conjunctivitis (Reasonable Hypothesis)* (No. 90 of 2022).

2 Commencement

This instrument commences on 19 September 2022.

3 Authority

This instrument is made under subsections 196B(2) and (8) of the *Veterans' Entitlements Act 1986*.

4 Amendment

The Statement of Principles concerning *conjunctivitis (Reasonable Hypothesis)* (No. 76 of 2020) (Federal Register of Legislation No. F2020L01395) is amended in the following manner:

Section	Amendment
9(5A)	<i>Insert the following factor as subsection 9(5A):</i> having a sensitising exposure to an allergen before the clinical onset of conjunctivitis; Note: <i>sensitising exposure to an allergen</i> is defined in the Schedule 1 – Dictionary.
Schedule 1 – Dictionary	<i>Insert the following definition of "sensitising exposure to an allergen" in alphabetical order:</i> <i>sensitising exposure to an allergen</i> means an exposure to an allergen without the occurrence of symptoms, where the clinical onset of conjunctivitis occurs within the two weeks of a subsequent exposure to the same allergen. Note: The initial sensitising exposure to an allergen may be either systemic or cutaneous and may have occurred months to years before the re-exposure that has resulted in the conjunctivitis.
